**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Monopolies are illegal, right?

Why is the FCC promoting selected entities and not allowing the public ownership of decision making?

The internet, despite terrible recent decisions, is a public good that allows for even discourse in all aspects of life. If a single or only a few entities own the channels for this discourse, you will have silenced voices.
